Moire Park BBQ area, Pump track for cyclists

**Nearby Walks:** Westgate Loops, Te Atatu Peninsula, West Harbour

Moiré Park is one of Waitakere's hidden treasures. The area was settled in 1600 by Te Kawerau A Maki and ancestral links go back to the 14th century. Harbours and surrounding land were extensively used for fishing camping and the collection of resources. European settlement began in the 1840s with milling of timber, farming and gum digging.
