

Starting from the ferry terminal.

1. Turn right > and follow the path along the water front past the park and children's playground (on your left) and stay on the footpath following King Edward Parade.
2. Turn left < into Church Street .
3. Continue straight along Church St at Vauxhall Road junction.
4. Turn right > into Cambria Reserve (just after Cracroft St).
5. Keep to the path on the right > then turn immediately left < and follow the pathway around the circumference of the reserve (a former volcanic cone).
6. Exit Cambria Reserve via the entrance and turn right > along Church Street.
7. Turn left < into Albert Road which then becomes Victoria Road.
8. Turn left < into Kerr Street.
9. Turn left < into Mount Victoria Reserve.
10. Follow the grass path on the left alongside the fence line and houses (of if wet, go up the tar-sealed road).
11. At the fork, go right > and keep to the uphill track.
12. Follow the zig-zag path to the summit: turn left < and follow the wide grass track, turn right > below the concrete block house.
13. Enjoy the views, walk through the “mushrooms” and then make your way down via the roadway (lookout for vehicles).
14. Cross Kerr Street and continue straight ahead along Victoria Road.
15. Return to the ferry terminal at the end.
