

Start from Onepoto Domain beside the Children's Playground.

1. Head into the playground area, and take the walkway to the left < between two play areas, keeping the big slide on your right >.
2. Follow the path which becomes a grassy track, cross over a narrow bridge and follow the path up the hill.
3. Turn left < into Sylvan Avenue.
4. Turn right > into Heath Avenue.
5. At the end of Heath Avenue follow the grassy walkway down to the reserve.
6. Cross the reserve to Exmouth Road and continue straight ahead along the track through Tuff Crater Reserve.
7. Exit the reserve and turn left < into Saint Peters Way (the road comes right down to the path where there is a wooden platform).
8. Turn left < up the walkway between #25 and #21.
9. Cross College Road and turn left <.
10. Turn left < along Exmouth Road.
11. Turn right > into Dudding Avenue.
12. Turn left < along walkway between #22 and #24.
13. Turn right > into Kororo Street.
14. Turn left < into Lake Road.
15. Turn left < Rotary Grove. Continue straight ahead along path alongside the swamp land to the very end.
16. Turn right > into Tarahanga Street.
17. Turn left < to enter Onepoto Domain and return to the start.
